3rd Grade Guidance for Literacy Task Design

(Literacy tasks are designed to be at the core of all multi day lessons/units).
The purpose of providing guidance for designing literacy tasks is to provide classroom teachers with crucial steps in designing high quality student learning tasks that integrate reading, writing and thinking skills aligned with the standards. This document provides guidance into the necessary steps of task design. Literacy Tasks should be a part of multi-day lessons and units in order to integrate and implement the standards.

Steps for Designing Literacy Tasks

**Step 1**
Determine the focus of the task. Standards can be clustered to help drive a number of key components of multi-day lessons/units. (For example, essential questions, assessments, writing to reading prompts, etc.) Examples of ways standards can be clustered for a task are as follows:

**Literature Task**
- Author’s study including analysis of illustrations (RL.1 & 9)
- Characterization in a story RL.1 & 3
- Analysis of the contribution of illustrations (RL.1 & 7)
- Central idea/lesson of literature from diverse cultures (RL.1 & 2)

**Informational/Research Text Task**
- Analyzing a relationship between a series of concepts (RI. 1 & 3)
- Analyzing the role of illustrations (RI. 1 & 7)
- Comparing and contrasting important points/key details (RI. 1 & 9)

**Narrative Text Task**
- Narrative Story where students will
  - Write to a prompt that will address any combination of RL and RI standards 1, 2, 3, 4, 5, 7 or 9.
- Narrative Description where students will
  - Write to a prompt that will address any combination of RI standards 1, 2, 3, 4, 5, 7, or 9.

**Step 2**
Determine anchor text and coordinating texts/multimedia to accompany the anchor text. See page 6 of this document for text resources.

### Step #3
Develop questions for each text using the reading standards and evidence tables for 3rd grade.

**Question Guidance:** [http://achievethecore.org/page/46/complete-guide-to-creating-text-dependent-questions](http://achievethecore.org/page/46/complete-guide-to-creating-text-dependent-questions)

#### Question Consideration: Transform the following Reading Standard Evidence Statements into questions/tasks/activities throughout the unit.

<td>Provides questions and answers that show understanding of a text, referring explicitly to the text as the basis for the answers.</td>
</tr>
<tr>
<td>RI.2</td>
<td>Provides a comparison and contrast of the most important points and/or key details presented in two texts on the same topic.</td>
<td>Provides a statement of the main idea of a text.</td>

<td>RI.6</td>
<td>Provides a description of characters in a story (e.g., their traits, motivations, or feelings).</td>
<td>Provides a description of the relationship between steps in technical procedures in a text, using language that pertains to time, sequence and/or cause/effect.</td>
</tr>
<tr>
<td>RI.7</td>
<td>Provides an explanation of how a central message, lesson, or moral is conveyed through details in a text.</td>
<td>Provides a comparison and contrast of the central message, lesson, or moral in a text.</td>

<tr>
<td>RI.9</td>
<td>Provides a comparison and contrast of the most important points and/or key details presented in two texts on the same topic.</td>
<td>Provides a comparison and contrast of the themes of stories written by the same author about the same or similar characters (e.g., in books from a series).</td>
</tr>

Determine what type of writing required by students to show understanding of content we want students to do during and/or after to show understanding.

When creating prompts, return to step 1 to view clustered standards.

The following table describes two main categories of writing that can be used with literacy tasks that meet the requirements of the Standards. The table also shares writing types that prepare students for assessments by requiring students to read texts, answer questions about texts and write to a prompt.

| **On Demand Writing**  
(any writing tasks that do not complete all steps of the writing process) |  |
|---|---|
| **Literary Analysis Task**  
(St. #1 & #2)  
*See example on page 5.* | Students will read literature selections, answer a series of questions from each text and synthesize in order to write to the provided prompt.  
Student’s writings must show comprehension of key ideas and details as well as written expression and knowledge of language and conventions. |
| **Research Simulation Task**  
(St. #2)  
*See example on page 5.* | Students will analyze an informational topic presented through several articles or multimedia stimuli. The first text will be an anchor text that introduces the topic. Students will engage with texts, answer a series of questions from each text and synthesize the information from these sources in order to write two analytic essays. |
| **Narrative Tasks**  
(St. #3)  
*See example on page 5.* | After reading a literary or informational selection, students will be asked to respond in writing to a prompt that asks them to continue a narrative story or write a narrative description. |

<table>
<thead>
<tr>
<th><strong>Process Writing</strong></th>
<th></th>
</tr>
</thead>
</table>
| **Opinion Writing**  
(St. #1)  
Reviews  
Essays, Reports, etc... | Students should write opinions on topics or texts, supporting a point of view with reasons and information.  
The writing types described here are writings that take place over multiple days or time frames. The rubrics used for these types of writing ask students to use the entire writing process. Some options for a rubric can be found at [www.illinoisliteracyinaction.org](http://www.illinoisliteracyinaction.org). Select a grade level and click on rubrics. |
| **Informative/Explanatory Writing**  
(St. #2)  
Research Papers  
Reports, Essays  
Paragraphs, | Students should write informative/explanatory texts to examine a topic and convey ideas and information clearly. There are slight differences between informative and explanatory writing.  
**Informative writing** educates readers by imparting straightforward information and facts, but never personal opinions  
**Explanatory writing** imparts information, shares ideas and provides explanations and evidence. |
| **Narrative Writing**  
(St. #3)  
Creative Writing, Poetry  
Stories, etc... | Write narratives to develop real or imagined experiences or events using effective technique, descriptive details, and clear event sequences. |
Task Templates
The following are samples of one way to provide direction for students as they engage with a Literacy task.

**Literacy Analysis Task**

“Today you will read and think about the passage from the (novel, story, fable, or other) titled_____________ and the (novel, story, fable, or other)_______________. As you read these texts, you will gather information and answer questions about ____________ (the question will tie back to the reading standards) so you can write an essay.

You have read the passages from _____________ and ______________. Write an essay that ___________________________________________________________________________________________ (relates back to the question at the beginning in the first part). Support responses with evidence from each source and explain the evidence.

**Classroom Sample**

Write an essay that explains how Old Mother’s West Wind and the Sandwitch’s words and actions are important to the plots of the stories. Use what you learned about the characters to support your essay.

**Research Simulation Task**

Today you will research _____________ and consider texts and/or videos to support different purposes. First you will read a passage that _______________. Next, you will watch a video clip about _______________. Finally, you will read a text that explains how ____________. As you review these sources, think about

“You have learned about _____ by reading two documents, ______________and______________, and viewing a video clip titled _______________. Write an essay that ______________ (relates back to the question asked in the first part). Support responses with evidence from each source and explain the evidence.

**Classroom Sample**

Using information from the articles and video, describe how each source helps clean up oil spills. Use evidence from the articles and the video to support your answer.

**Narrative Task**

Today you will read a passage from a story or informational text titled ____________________________. As you read, pay close attention to ________________ (students will be looking at a specific skill that ties back to the reading standards) to prepare to write ________________________.

**Classroom Sample**

After reading the story about Derrick’s first camping trip, write Derrick’s journal entry about the trip. Include information about how the characters responded to the events in the story as you write the journal entry.
